Re: KE27 Ulcombe - Activity Dates and Change of Route

Please be advised we have just been given the Activity Dates for Greenhill as follows:

22nd October 2011
5th November 2011
19th November 2011
3rd December 2011
17th December 2011
31st December 2011
14th January 2012
28th January 2012

Please be aware this affects only the extreme East side of the ride so does not affect the majority of the route. No sections will need to be closed on activity days as the people will marshal it with radios.

Change to Route

One section of the toll ride has had to be closed permanently. The lower end of Elmstone Hole Road will be closed due to night time security problems at the farm next door but it is hoped that another section will be opened at the top end of Elmstone Hole Road once apple picking is completely finished.

If you have any queries please don't hesitate to contact either the TROT office on 01622 735599, or the local agents Jayne/ Charles Tassell on 01622 858733.

Kind Regards

Helen Norris
