

Stapleford TROT celebrates its third anniversary

Stapleford TROT held a social ride to celebrate the third anniversary of its opening on Tuesday May 11th from 1200 until 2000.

The venue was at Pears lodge farm livery yard, which also provides secure off road parking for those boxing in to use the TROT.

Riders enjoyed a picnic on their ride, hosted by Trish Holmes and Jeff Lewin from their B&B for horse and rider at Waterloo Lodge Farm, part way round the route.

There was a choice of routes between 5 and 17 miles. Participants could choose which, if any, of the optional longer routes they wanted to ride.

Several competitors had enjoyed all three anniversary rides and consider it an annual event not to be missed. Those that had never been on the TROT route before returned with smiles and enthusiastic praise. Several said they intend to hire a hatband and ride on the TROT again during the year.
