

Managing Grassland for Horses

A FREE Workshop for horse and pony owners and people who manage livery yards, riding schools or their own paddocks

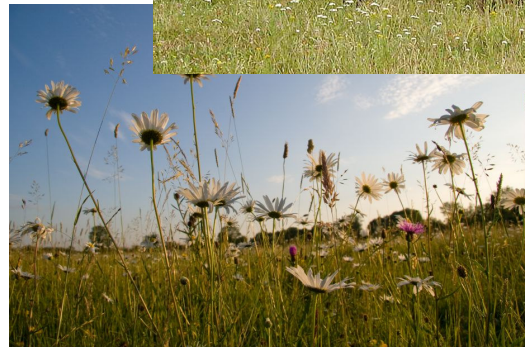

**Thursday 12th May 2011
6.30 pm to 8.30 pm
Newdigate Village Hall, Newdigate**

This free evening workshop will consider how good paddock management not only benefits the health and well-being of your horses and ponies but also benefits wild flowers, prevents pasture damage, reduces weed infestation and improves the landscape with rich and colourful pastures.

Presenters:

- Frances Clayton, Adviser on Managing Land for Horses
- Petra Billings, Sussex Wildlife Trust

**Coffee/tea/sandwiches
provided**
